Dear Islam,

Thank you for your email and hope you and all BFD colleagues are doing well.

The Yemen Education Cluster considers BFD as one of its strategic partners and often count on their technical and operational contributions across Yemen. BFD's engagement in the education sector and cluster and ad-hoc meetings in different hubs is valued by the YEC team of coordinators.

Hope this support and clarifies, if additional details are required, we would be happy to support further.

Thank you very much

Best

RZ

Subject: Requesting Confirmation of BFD's Membership in YEC Cluster

Importance: High

Dear Rania,

Enormous greeting from BFD,

As OCHA running current assessment of BFD as local NGO working in the Education interventions, OCHA requested some confirmations of BFD interaction in YEC.

So, I would gently request you to confirm BFD's membership in the YEC Cluster and commitment to submit regular reports to 4W Education cluster activities Matrix.

Regards,
